

EXTENDONS ADD TO CART ON COLLECTIONS

USER GUIDE

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors, and others of [Extendons Add to Cart On Collections App](#) for Shopify. A step by step instruction has been added to this document to help users to install this app on their Shopify stores.

This app will only work on Shopify. As a safe practice always backup your files and database before installing any app on your store. If you are looking for someone to install this app, we can do it for you as well. Just go to our store page and let our support know the order id to expedite the installation process.

Once it is installed please refer to the User Guide to help you understand how to use this app to its full capacity. If you still have questions, feel free to contact us via email at info@extendons.com.
